

IBERO AMERICAN SOCIETY OF NEONATOLOGY-SIBEN XVII SIBEN ANNUAL NEONATAL CONGRESS XV SIBEN NURSING CHAPTER MEETING

ONLINE NOVEMBER 4-7, 2020

Aimed at: Neonatologists, Pediatricians, Neonatal Nurses, Residents, Kinesiologists, Respiratory Therapists and all Neonatal Health professionals

GUEST SPEAKERS:

Dr. Keith J. Barrington, Montreal, Canada • Dr. Barbara Schmidt, Philadelphia, USA • Dr. Haresh Kirpalani, Philadelphia, USA • Dr. John Lantos, Kansas, USA • Dr. Augusto Sola, Florida, USA • Dr. Anne Greenough, London, UK • Dr. Martha Sola-Visner, Boston, USA • Dr. Alfredo García Alix, Barcelona, Spain • Dr. Sergio Golombek, Nueva York, USA • Dr. Roberto Canessa, Montevideo, Uruguay

OFFICIAL LANGUAGES: ENGLISH AND SPANISH

Due to so many different time zones, all registered participants will be able to see the "live sessions" (at the times posted in the scientific program) but also they will be able to see the same (recorded) sessions on demand at a time of their choosing during the days of the Congress and for the whole month of November.

GENERAL TOPICS: HEMODYNAMICS, NUTRITION, HEMATOLOGY, NEUROLOGY, OXYGENATION, RESPIRATION, ETHICS, FAMILY, ANTIBIOTICS AND OTHERS

President of SIBEN: Dra. Mónica Morgues, General Director of SIBEN: Dr. Augusto Sola

Presidents XVII Congress: Marcelo Cardetti and María Verónica Favareto

Vicepresident XVII Congress: Ignacio Sosa Scientific Directors: Susana Rodríguez, Lourdes Lemus, Sergio Golombek, María Teresa Montes Bueno and Augusto Sola

Information & Registration: info@siben.net

REGISTRATION FEE:

Physicians SIBEN members **150 USD** Non members **200 USD**

Nurses/Interdisciplines/Fellow&Residents SIBEN members **75 USD** Non members **100 USD**

The Fee Includes: Access to all Scientific Sessions, Access to Virtual Exhibition area, Certificate of attendance and Social events

SIBEN Board of Directors:

Mónica Morgues Nudman, MD, President, Chile
Augusto Sola, MD, General Director, USA
Sergio Golombek, MD, USA
Gabriel Lara, MD, Mexico
Luis Alexander Lovera Montilla, RN, Colombia
Ramón Mir, MD, Paraguay
María Teresa Montes Bueno, RN, Spain
Andrés Bobbett, Esq, Argentina
Sergio Birnbaun, MD, Argentina
Diana Fariña, MD, Argentina
Lourdes Lemus Varela, MD, Mexico
Ana Quiroga, RN, Argentina
Susana Rodríguez, MD, Argentina
María del Carmen Fontal, RN, Uruguay
Marcelo Cardetti, MD, Argentina
Fernando Domínguez, MD, Cuba

Lara Maksimovic, *Director of Operations*

Scientific Directors:

Susana Rodríguez, MD
Lourdes Lemus Varela, MD
Sergio Golombek, MD
María Teresa Montes Bueno, RN
Augusto Sola, MD

Nursing Council:

María Teresa Montes Bueno, RN
María del Carmen Fontal, RN
Coordinator: Ana Quiroga, RN

Nursing Directive Chapter

Amparo del Socorro Acosta Polo, RN
Antonieta Carla Rojas Machua, RN
Arminda Gil, RN
Cecilia Reyes Acuña, RN
Cristian Emanuel Muñoz, RN
Cristina Segovia Iñigo, RN
Irama Lopez, RN
Johanna Segura Villalobos, RN
. Laura Álvarez Gallardo, RN
Lucía Fernanda Benalcázar Palma, RN
María Concepción Prado, RN
Noemí Ruiz Lavado, RN
Zandra Grosso, RN

Administratives:

Malena Ares
Michelle Blanco
Michelle Sarzoza
Pilar Méndez
Virginia Kulik

Presidents of the XVI Congress of SIBEN 2020:

Marcelo Cardetti, MD and Verónica Favareto, MD

Vicepresident:

Ignacio Sosa, MD

Nursing Coordinator of the XV Congress of SIBEN 2020:

Cristian Emanuel Muñoz, RN

MEDICAL AND NURSING PROGRAM

THE SCHEDULE THAT APPEARS IN THE PROGRAM CORRESPONDS TO THE FOLLOWING COUNTRIES:

COLOMBIA, PERU, ECUADOR, PANAMA, USA EST, CANADA EST, CUBA

Due to so many different time zones, all registered participants will be able to see the "live sessions" (at the times posted in the scientific program) but also they will be able to see the same (recorded) sessions on demand at a time of their choosing during the days of the Congress and for the whole month of November.

IRELAND, PORTUGAL, UK:

Should add 5 hours (+5)

SPAIN, ITALY, FRANCE, GERMANY:

Should add 6 hours (+6)

ISRAEL

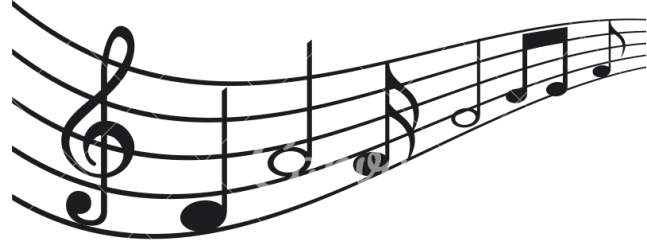

Should add 7 hours (+7)

CHINA

Should add 12 hours (+13)

JAPAN

Should add 13 hours (+14)

Social Events

XVII SIBEN Annual Neonatal Congress
XV SIBEN Nursing Chapter Meeting

NOV. 4 OPENING

6 PM Welcome Songs by María José Agote.

NOV. 5 AWARDS

9.20 AM Live music performance by
María José Agote.

NOV. 6 MUSICAL BREAK AT SIBEN

5.30 PM Tangos and more by Maia Varés.
Group: Leandro Andersen (Guitar), Rubén
Slonimsky (Bandoneon) y Pablo Motta
(Bass).

NOV. 7 CELEBRATING SIBEN

12.30 PM Closing Musical Performance
by Blaze Tropica.

 THE SCHEDULE THAT APPEARS IN THE PROGRAM CORRESPONDS TO THE FOLLOWING COUNTRIES:

COLOMBIA, PERU, ECUADOR, PANAMA, USA EST, CANADA EST, CUBA

Due to so many different time zones, all registered participants will be able to see the "live sessions" (at the times posted in the scientific program) but also they will be able to see the same (recorded) sessions on demand at a time of their choosing during the days of the Congress and for the whole month of November.

IRELAND, PORTUGAL, UK: Should add 5 hours (+5)

SPAIN, ITALY, FRANCE, GERMANY: Should add 6 hours (+6)

ISRAEL: Should add 7 hours (+7)

CHINA :Should add 12 hours (+13)

JAPAN: Should add 13 hours (+14)

WORKSHOPS WEDNESDAY NOVEMBER 4TH, 2020

	NO ADDITIONAL FEE FOR WORKSHOPS IS REQUIRED
8:00-11:00	NEONATAL NEUROLOGY Coordination: Alfredo García-Alix, MD, (Spain) Speakers: Alfredo García-Alix, MD, (Spain), Susana Rodríguez, MD, (Argentina), María Teresa Montes Bueno, RN, (Spain)
08:00-09:00	Interpreting brain aEEG and StO ₂ neuro-monitoring tools. Alfredo Garcia-Alix
09:00-10:00	Identifying the severity of an Encephalopathy (I). Alfredo Garcia-Alix,
10:00-11:00	Identifying the severity of an Encephalopathy (II). Alfredo Garcia-Alix, Ethical aspects at the end of life Alfredo García-Alix, Susana Rodríguez, María Teresa Montes Bueno
11:00-13:00	COMMERCIAL EXHIBITION. VIRTUAL VISIT
13:00-16:00	CENTRAL AND PERIPHERAL VASCULAR CATHETERS: CLINICAL CASES Coordinators: María Teresa Montes Bueno, RN, (Spain), Ana Quiroga, RN, (Argentina)
13: 00-13:15	Introduction. María Teresa Montes Bueno and Ana Quiroga
13:15-14:10	Clinical cases I (Catheters and vascular accesses). María Teresa Montes Bueno
14: 10-15: 15	Clinical cases II (Administration of medication, blood products, drugs, parenteral nutrition and hydration). Ana Quiroga
15: 15-16: 00	Questions and discussion
16:00-16:30	COMMERCIAL EXHIBITION. VIRTUAL VISIT
16:30-17:30	ORAL PRESENTATIONS OF SUBMITTED ABSTRACTS (In Spanish, no simultaneous translation to English) Susana Rodríguez, Lourdes Lemus, Cristian Muñoz, Luis Alexander Lovera Montilla and Carmen Fontal. Medicine, Nursing, Interdisciplins
18:00	MUSICAL MOMENT WITH MARÍA JOSÉ AGOTE.

MEDICAL PROGRAM THURSDAY NOVEMBER 5TH, 2020

- 08:00-08:20** OPENING CEREMONY
Marcelo Cardetti, Cristian Muñoz, María Teresa Montes Bueno and Mónica Morgues
- 08:20-08:30** MEMBERS OF HONOR: **Presents Sergio Golombek**
- 08:35-09:20** **OPENING SESSION**
Dr. Augusto Sola
Presentation of the Inaugural Conference. SIBEN Award "Tenacity to honor life"
Roberto Canessa
The human body: that incredible machine.
- 09:40-10:30** **Award Ceremony: Improving Neonatal Care in Latin America and others**
COMMERCIAL EXHIBITION. VIRTUAL VISIT
- 11:00-13:10** **PLENARY SESSION "KEYS IN NEONATAL RESPIRATORY CARE"**
Chairpersons: Sergio Golombek and Ana Quiroga
- 11:00-11:20** **Anne Greenough**
Which modes of invasive and noninvasive respiratory support for neonates to use?
- 11:20 -11:40** **Keith Barrington**
Protocolizing respiratory support in the newborn, is it possible, does it help?
- 11:40-12:00** **Haresh Kirpalani**
Should we use Sustained Inflation in the delivery room?
- 12:00-12:20** **Anne Greenough**
Prevention of BPD
- 12:20-12:40** **María Teresa Montes Bueno**
Care of the child with Bronchopulmonary Dysplasia: nursing challenges.
- 12:40-13:10** **Discussion**
- 13:10-13:30** **SIBEN Award for the Improvement of Neonatal Health in Latin America. Joe Kiani**
Presents: Susana Rodríguez
- 14:00-15:30** **NEONATAL NEUROLOGICAL ASPECTS**
Coordinators: Verónica Favareto and Ramón Mir
- 14:00-14:20** **Alfredo García-Alix**
Errors, controversies and challenges in neonatal seizures.
- 14:20-14:40** **Bárbara Schmidt**
Is caffeine a drug for the brain of very premature infants?
- 14:40-15:00** **René Humberto Barrera Reyes**
The long-term impact of neonatal practices.
- 15:00-15:30** **Discussion**
COMMERCIAL EXHIBITION. VIRTUAL VISIT
- 15:45-17:15** **CLINICAL DECISIONS IN PREMATURE NEWBORNS: "PROS AND CONS"**
Coordinators: Ignacio Sosa and Lourdes Lemus
Keith Barrington
To treat or not to treat gastroesophageal reflux.
Augusto Sola
To use or not to use bank milk in premature newborns.
Haresh Kirpalani
To transfuse the premature newborn or not?
Martha Sola-Visner
Anemia of prematurity: when to transfuse?
- 16:30-16:45** Discussion
- 16:45-17:20** Discussion
- 17:30-18:30** **ORAL PRESENTATIONS OF SUBMITTED ABSTRACTS (In Spanish, no simultaneous translation to English)**
Susana Rodríguez, Lourdes Lemus, Cristian Muñoz, Luis Alexander Lovera Montilla and Carmen Fontal. Medicine, Nursing, Interdisciplines

MEDICAL PROGRAM FRIDAY NOVEMBER 6TH, 2020

- 08:00-10:00** **RISKS TO PERINATAL HEALTH IN THE MIDDLE OF THE COVID-19 PANDEMIC**
Coordination: Marcelo Cardetti. Participants: John Lantos, Carmen Dávila, Alfredo García-Alix, Susana Rodríguez, María Teresa Montes Bueno, Augusto Sola
- 10:00-12:15** **PLenary SESSION "ETHICS IN NEONATAL CARE"**
Chairpersons: Susana Rodríguez, María del Carmen Fontal
- 10:00-10:20** **John Lantos**
Shared decision making in the Neonatal Intensive Care Unit.
- 10:20-10:35** **Cristian Muñoz**
Nursing role in neonatal end-of-life care.
- 10:35-10:55** **John Lantos**
Ethics in research and "the artificial placenta".
- 10:55-11:15** **Barbara Schmidt**
Use and misuse of the number needed to treat (NNT).
- 11:15-11:30** **Augusto Sola**
From scientific publications to clinical behaviors in the time of COVID-19.
- 11:30-11:45** **Dr. Augusto Sola**
PRESENTATION OF THE "ALICIA SOLA" AWARD FOR ALTRUISM IN NEONATOLOGY
- 11:45-12:15** **Discussion**
- COMMERCIAL EXHIBITION. VIRTUAL VISIT**
- 12:30-13:50** **NEONATAL CARDIOLOGICAL ASPECTS**
Coordinators: Ángela Lombo Liévano and Verónica Favareto
- 12:30-12:50** **Keith Barrington**
Hypotension in the very premature newborn: treatment and results.
- 12:50-13:10** **Roberto Canessa**
Surgical correction of congenital heart disease: value of the fetal echocardiogram.
- 13:10-13:30** **Monica Morgues Nudman**
Long-term impact of neonatal cardiovascular disease.
- 13:30-13:50** **Discussion**
- COMMERCIAL EXHIBITION. VIRTUAL VISIT**
- CARING FOR FAMILIES: From theory to reality**
- 14:00-15:00** **From theory to reality**
Coordinators: Gabriel Lara, Angela Lombo and Guadalupe Sandoval
- 14:00-14:40** **Christian Elías Costa**
Shared humanity.
- 14:40-15:00** **María Teresa Montes Bueno**
The family in the NICU: barriers to entry into Latin America.
- 15:00-15:30** **Discussion**
- 15:30-17:00** **Do we learn from mistakes to improve family care in the future?**
Coordinators: Augusto Sola, Luis Alexander Lovera Montilla and Angela Lombo Liévano
Listening to what families tell us. Carolina, Gal and Diego Piasek (United States). Catalina and Micaela Screpanti and Daniela Giménez (Argentina).
- Reflecting to improve.
- Concepción Gomez Esteban, Augusto Sola**
- 16:20 -17:00** **Discussion**
- 17:30** **SIBEN RELAX WITH TANGOS AND MORE"MAIA VARÉS SINGS WITH HER INSTRUMENTAL GROUP WITH "BANDONEON", BASS AND GUITAR**

MEDICAL PROGRAM SATURDAY NOVEMBER 7TH, 2020

08:00-09:50 **Symposium in honor of Professor Enzo Dueñas:
WHEN LESS IS MORE**

08:00-08:20 Coordinators: Victoria Lima and Lourdes Lemus Varela
Marcelo Cardetti

08:20-08:40 Antibiotics

Martha Sola-Visner

08:40-09:00 Platelet transfusions in neonates.

Susana Rodríguez

09:00-09:20 Sedation and analgesia.

Sergio Golombek

09:20-09:50 Feeding during transfusions.

Discussion

COMMERCIAL EXHIBITION. VIRTUAL VISIT

10:00-11:10 **NEURODEVELOPMENT AND NEUROPROTECTION**

Coordinators: René Humberto Barrera Reyes and Mónica Morgues

10:00-10:20 **Alfredo García-Alix**

Neuroprotection in the premature newborn. The future is now.

10:20-10:40 **Maria Teresa Montes Bueno**

Nursing role in neurodevelopmental care

10:40 -11:10 **Discussion**

COMMERCIAL EXHIBITION. VIRTUAL VISIT

11:30-12:30 **Symposium sponsored by PROLACTA: Innovations to improve neonatal nutrition.**

Sergio Golombek

Nurses make a difference.

Zandra Grosso

Frame of reference: SIBEN clinical consensus.

Diana Fariña and Ramón Mir

12:30-13:00 **AWARDS FOR SUBMITTED SCIENTIFIC ABSTRACTS**

13:00-13:30 **CLOSING CEREMONY: WE CELEBRATE SIBEN WITH LATIN MUSIC**

14:00-15:30 **SIBEN CLINICAL CONSENSUS**

The ABC of the methodology and structure for the coming years.

Ramón Mir, Diana Fariña, Sergio Golombek, Lourdes Lemus and Augusto Sola.

Members and coordinators of previous consensus.

NURSING PROGRAM THURSDAY NOVEMBER 5TH, 2020

- 08:00-08:20** **OPENING CEREMONY**
Marcelo Cardetti, Cristian Muñoz, María Teresa Montes Bueno and Mónica Morgues
- 08:20-08:30** MEMBERS OF HONOR: **Presents Sergio Golombek**
- 08:35-09:20** **OPENING SESSION**
Dr. Augusto Sola
Presentation of the Inaugural Conference. SIBEN Award "Tenacity to honor life"
Roberto Canessa
The human body: that incredible machine.
- 09:40-10:30** **Award Ceremony: Improving Neonatal Care in Latin America and others**
COMMERCIAL EXHIBITION. VIRTUAL VISIT
- 11:00-13:10** **PLENARY SESSION "KEYS IN NEONATAL RESPIRATORY CARE"**
Chairpersons: Sergio Golombek and Ana Quiroga
- 11:00-11:20** **Anne Greenough**
Which modes of invasive and noninvasive respiratory support for neonates to use?
- 11:20 -11:40** **Keith Barrington**
Protocolizing respiratory support in the newborn, is it possible, does it help?
- 11:40-12:00** **Haresh Kirpalani**
Should we use Sustained Inflation in the delivery room?
- 12:00-12:20** **Anne Greenough**
Prevention of BPD
- 12:20-12:40** **María Teresa Montes Bueno**
Care of the child with Bronchopulmonary Dysplasia: nursing challenges.
- 12:40-13:10** **Discussion**
- 13:10-13:30** **SIBEN Award for the Improvement of Neonatal Health in Latin America. Joe Kiani**
Presents: Susana Rodriguez
- 14:00-15:30** **NEONATAL NEUROLOGICAL ASPECTS**
Coordinators: Laura Álvarez Gallardo and Daniel Molina
- 14:00-14:20** **Arminda Gil**
Nursing care of the newborn with seizures.
- 14:20-14:40** **Paola Silva**
Neurocritical newborn monitoring.
- 14:40-15:00** **Ana Quiroga**
Role centered on the family as a Neuroprotection strategy.
- 15:00-15:30** **Discussion**
- COMMERCIAL EXHIBITION. VIRTUAL VISIT**
- 15:45-17:15** **CLINICAL DECISIONS IN PREMATURE NEWBORNS: "FOR AND AGAINST"**
Coordinators: Antonieta Carla Rojas Machua and Javier Mansanares
- 15:45-16:05** **Cecilia Reyes**
Feeding and positioning technique: effect on food tolerance and gastroesophageal reflux.
- 16:05-16:25** **Elisabeth Quinteros**
Does promoting milk banks decrease the mother's own breastfeeding?
- 16:25-16:45** **Zandra Grosso**
Importance of strategies for the success in the provision of own breast milk in very low birth weight newborns.
- 16:45-17:20** **Discussion**
- 17:30-18:30** **ORAL PRESENTATIONS OF SUBMITTED ABSTRACTS (In Spanish, no simultaneous translation to English)**
Susana Rodríguez, Lourdes Lemus, Cristian Muñoz, Luis Alexander Lovera Montilla and Carmen Fontal. Medicine, Nursing, Interdisciplines

NURSING PROGRAM FRIDAY NOVEMBER 6TH, 2020

08:00-10:00 RISKS TO PERINATAL HEALTH IN THE MIDDLE OF THE COVID-19 PANDEMIC
Coordination: Marcelo Cardetti. Participants: John Lantos, Carmen Dávila, Alfredo García-Alix, Susana Rodríguez, María Teresa Montes Bueno, Augusto Sola

10:00-12:15 PLENARY SESSION "ETHICS IN NEONATAL CARE"
Chairpersons: Susana Rodríguez, María del Carmen Fontal

10:00-10:20 John Lantos
Shared decision making in the Neonatal Intensive Care Unit.

10:20-10:35 Cristian Muñoz
Nursing role in neonatal end-of-life care.

10:35-10:55 John Lantos
Ethics in research and "the artificial placenta".

10:55-11:15 Barbara Schmidt
Use and misuse of the number needed to treat (NNT).

11:15-11:30 Augusto Sola
From scientific publications to clinical behaviors in the time of COVID-19.

11:30-11:45 Dr. Augusto Sola
PRESENTATION OF THE "ALICIA SOLA" AWARD FOR ALTRUISM IN NEONATOLOGY

11:45-12:15 Discussion
COMMERCIAL EXHIBITION. VIRTUAL VISIT

12:30-14:00 NEONATAL CARDIOLOGICAL ASPECTS
Coordinators: María del Prado and Paula Zalabardo

12:30-12:50 Laura Álvarez Gallardo
Preoperative care of the newborn with congenital heart disease.

12:50-13:10 Paola Silva
Postoperative care of the newborn with extracorporeal surgery.

13:10-13:30 María del Carmen Fontal
Role of the family in the patient with congenital heart disease.

13:30-14:00 Discussion

COMMERCIAL EXHIBITION. VIRTUAL VISIT

CARING FOR FAMILIES: From theory to reality

14:00-15:00 From theory to reality
Coordinators: Gabriel Lara, Angela Lombo and Guadalupe Sandoval

14:00-14:40 Christian Elías Costa
Shared humanity.

14:40-15:00 María Teresa Montes Bueno
The family in the NICU: barriers to entry into Latin America.

15:00-15:30 Discussion

15:30-17:00 Do we learn from mistakes to improve family care in the future?
Coordinators: Augusto Sola, Luis Alexander Lovera Montilla and Angela Lombo Liévano
Listening to what families tell us. Carolina, Gal and Diego Piasek (United States). Catalina and Micaela Screpanti and Daniela Giménez (Argentina).

Reflecting to improve.

16:20 -17:00 Concepción Gomez Esteban, Augusto Sola
Discussion

17:30 SIBEN RELAX WITH TANGOS AND MORE"MAIA VARÉS SINGS WITH HER INSTRUMENTAL GROUP WITH "BANDONEON", BASS AND GUITAR

NURSING PROGRAM SATURDAY NOVEMBER 7TH, 2020

08:00-09:50 **WHEN LESS IS MORE**

Coordinators: Cecilia Reyes and Elina Torres Villar

08:00-08:20 **Noemí Ruíz Lavado**

Strategies to decrease blood draws in very low birth weight newborns.

08:20-08:40 **María del Carmen Fontal.**

Nursing management in sedation and analgesia.

08:40-09:00 **Lucila Scotto**

Management of withdrawal syndrome.

09:00-09:20 **Guillermina Chattás**

Are we preparing the antibiotics well?

09:20-09:50 **Discussion**

COMMERCIAL EXHIBITION. VIRTUAL VISIT

10:00-11:10 **NEURODEVELOPMENT AND NEUROPROTECTION**

Coordinators: René Humberto Barrera Reyes and Mónica Morgues

10:00-10:20 **Alfredo García-Alix**

Neuroprotection in the premature newborn. The future is now.

10:20-10:40 **María Teresa Montes Bueno**

Nursing role in neurodevelopmental care

10:40-11:10 **Discussion**

COMMERCIAL EXHIBITION. VIRTUAL VISIT

11:30-12:30 **Symposium sponsored by PROLACTA: Innovations to improve neonatal nutrition.**

Sergio Golombek

Nurses make a difference.

Zandra Grosso

Frame of reference: SIBEN clinical consensus.

Diana Fariña and Ramón Mir

12:30-13:00 **AWARDS FOR SUBMITTED SCIENTIFIC ABSTRACTS**

13:00-13:30 **CLOSING CEREMONY: WE CELEBRATE SIBEN WITH LATIN MUSIC**

14:00-15:30 **SIBEN CLINICAL CONSENSUS**

The ABC of the methodology and structure for the coming years.

Ramón Mir, Diana Fariña, Sergio Golombek, Lourdes Lemus and Augusto Sola.

Members and coordinators of previous consensus.
